VOL 11 NO 40 WEDNESDAY, OCTOBER 14, 1970

P.O. BOX 263, St. Albert
Registration No. 1930

Keith Douglas, 7, dressed as a lumberjack at Father Jan School's Pioneer Day last Wednesday, attacks a log twice his size. Keith lives at 63 Mission Avenue.

Among the many competitions that children completed in at last Wednesday's Father Jan School's Pioneer Day was the nail pounding competition, and Glen Martindale, 11, of 2 Grandville Place is pictured testing his skill at this.

Pioneer Day

What started as an enterprise project for some of Father Jan School's pupils, ended by involving the whole school - teachers as well - when Pioneer Day was celebrated last Wednesday.

Dressed in old-time costumes, and with a museum full of articles dating back to the 1880's, the children remembered the early settlers in St. Albert and district.

Guest speaker was Mrs. Ann Anderson, the daughter of a Cree mother and Scottish father, who was one of St. Albert's early residents and who now teaches Cree in Edmonton. Mr. and Mrs. Herman Isaac, also early settlers here, were introduced to the children.

The highlight of the competitions held was the teacher's log sawing contest, easily won by Fathers Levangie and Bokenfor.

Committee Chairman Mr. Jim Oliphant for Citizen of the Year Award advises that the deadline is approaching and he has not as yet received any written nominations. A number of suggestions of considerable merit have been heard verbally and it is hoped the necessary action will be taken soon

by people interested in various proposed candidates. Submissions must be in writing, with all pertinent information on the proposed candidate, and including the thinking of the person or group making the nomination on why he or she deserves this award. All nominations will go before a board of judges

for consideration and the award will be presented at the annual dinner meeting of the St. Albert and District Chamber of Commerce on November 27.

Please mail nominations to Mr. Jim Oliphant, Citizen of the Year Award, c/o Grandin Agencies, Grandin Shoppers Park, St. Albert.

Council Acts on Sand Complaints

Residents' complaints to members of council about the presence of sand on Glenmore and St. Anne Crescents resulted in a motion proposed by Councillor Bob Russell that its removal be given top priority. It was passed unanimously by a five strong council.

Councillor Russell informed council that these crescents had been in this condition for seven weeks, following the re-laying of the roads by a contractor. The sand had been put there to absorb excess oil on the road surface, but the contractor had said that be-

tween six and 10 days after the sand had been laid it could be removed.

Mr. J. Maandag, town engineer, said the delay in removing the sand had been caused by inclement weather conditions and it was necessary not to remove it before full absorption of the oil had taken place.

Councillor J. de Bruijn said: "We have a responsibility to those residents on those streets to have it cleared up. If we get a dry day and it can be picked up, then we should take it up." He suggested that this be

done by the town engineer's department, receiving remuneration from the contractor concerned.

Council Thanks

A letter will be sent by Mayor Ray Gibson to former Councillor R. G. Wheatley, thanking him for his five years' service to the town as a member of the town council. It was decided at last night's council meeting.

Future control on nuisance ground?

Out-of-towners may have to pay in future if they wish to use St. Albert's nuisance ground.

Tuesday night's council meeting discussed a recommendation by Councillor J. de Bruijn that a minimum charge of \$3 be made at weekends to persons from outside St. Albert who bring their debris to the town's dump. This should be scaled according to the amount of

rubbish deposited there.

Town Engineer, Mr. J. Maandag, said that a bylaw did exist prohibiting the dumping of garbage by people from outside St. Albert, but that there was difficulty in enforcing such a regulation.

Councillor F. Lukay suggested that the RCMP might be asked to patrol the area, checking licence plates and directing non-residents back to where they came from,

but Councillor de Bruijn disagreed with this, saying that this might cause people turned away from the tip to deposit their garbage in a rural area, rather than taking it home with them. He forwarded a motion that Mr. Maandag report to the public works committee on the feasibility of establishing full time control of the nuisance ground, and council agreed to this unanimously.

Community League going all out for Arena

It's all out for the Arena

The St. Albert Community League members and executive have taken on a large project this month. On two evenings, the 19 and 20 of October, they will call on all residences in St. Albert for support of their arena fund project. A group of teenagers and adults have volunteered to help them.

Beginning about 6:30 each

evening they will be selling tickets on a cash raffle which has been approved by the authorities. St. Albert people will be able to help swell the arena fund and at the same time could obtain a lucky ticket and win \$100, \$75 or \$25 in cash.

Winning tickets will be drawn at the hallowe'en festival being held October 31

at the community hall. All proceeds from this festival will also be turned over to the arena fund.

This promises to be a real fun night in St. Albert and prizes will be given for the best hallowe'en costumes appearing at the dance and social festival.

For tickets at \$3 per person, telephone 599-7003.

Hectic days for St. Albert's firefighters

This week, as Fire Prevention Week, has been a busy one for Mr. Fred Tetarenko and the boys of St. Albert Fire Brigade.

Our picture shows him at Braeside Church talking to 40 youngsters of the St. Albert Protestant Kindergarten about the dangers of playing with matches or naked flame of any type.

As well as touring schools and pre-school groups and giving demonstrations at the

fire hall, Mr. Tetarenko has also talked to patients at Sturgeon General Hospital and the Youville Home.

But routine work does not cease just because lectures and demonstrations have to be given, and the fire brigade were called out last Wednesday when a cattle truck overturned at the junction of Highway 2 and 137 Avenue. The petrol tank was smashed and the firemen had to hose it off the road.

Early on Thursday morning an electrical short at a house on 127 Street and 137 Avenue, east of Speedway Park, started a blaze which caused \$2,500 dollars worth of damage before it could be checked. It is believed that a plumber's blow-lamp sent a wall up in flames at the new Twirl Drive-In Theatre on 137 Avenue on Thursday afternoon, but the firemen soon had the fire under control.

Adventures in Music

The annual concert of the Edmonton Symphony Orchestra, given especially for school students, will be held Saturday, Oct. 17 at 3 p.m. in the Jubilee Auditorium.

There are no reserved seats at this concert as an earlier concert is being held for reserved school groups. Lawrence Leonard will conduct the 40 piece orchestra and will comment on each selection. The guest artist this year will be the brilliant young pianist, Delbert

Thurston who is studying at the University of Alberta at the present time.

The concert is sponsored by the Women's Committee of the Edmonton Symphony Society and is primarily for children between the ages of 8 and 14. Tickets are 50¢ for students and \$1 for adults. The program to be given this year is:

Tschalkowsky's Finale; Blinge's Elizabethan; Berlioz's Rocco's March; Khachaturian's Exerpts from Gayne Suite, and selections from Lional Bart's Overture; Fourth Symphony, and Serenade.

Delbert Thurston will play Tschalkowsky's 1st Movement of Concerts No. 1 in B Minor.

Unemployment

Alberta's expanding economy has kept the unemployment level lower than that in other provinces, but with the influx of other Canadians from outside the province into Alberta this figure is on the increase.

Children at St. Albert Protestant Kindergarten at Braeside Church receive instruction from Fire Chief Mr. Fred Tetarenko on fire hazards.

'Song of Norway' in Edmonton

The "Song of Norway" is coming to Edmonton on December 18.

This is the story of Edward Grieg's music, life and love, depicting authentic locations mainly in Norway, but also some in Denmark, England and Italy.

Local couple on Kinsmen trip

Local Kinsmen and Kinslette return from "World Council of Young Men's Service Clubs" convention in Copenhagen. Dave and Linda Stewart share some of the highlights of "WO-CO-70."

We left Canada Sept. 7, from Saskatoon aboard a charter flight with 150 other Kinsmen and Kinslettes from Western Canada. On arrival in Copenhagen we were met by Round Table members, from Denmark, wearing the traditional Viking horns.

After our first encounter (successful) with customs, we were transported to our hotels where most of the travellers settled down for a well deserved rest. We were some of the exceptions who proceeded to seek out some of the famous night spots till five in the morning.

On Tuesday, we registered- and with some 1,400 participants from all over the world. World Council consists of Kinsmen from Canada, Active 20-30 from U.S.A. and Mexico, Round Table from Europe, Britain, Africa, and India, and last but not least, Apex from down under (Australia). World council membership

exceeds 76,000 members. A get together party that evening gave all participants an opportunity to meet other members and exchange ideas. Some of the other functions were: a wine reception hosted by the city; a tour and banner lunch hosted by Tugborg Breweries; a house party hosted by Round Table Denmark members; President's dinner, Viking party and a farewell brunch held at the Tyvold Gardens.

Between the social events, workshops were held covering communication, expansion, and is fellowship enough or is service work enough.

President, Andy Chande, from Africa, conducted the business meetings and the board of officers included Roy Johns, Honourable Secretary, Treasurer, from Lloydminster.

We felt that the highlight of the convention was the house party where we ate typical Danish food and drank the famous Danish "Snaps." After the convention, post conference tours had been arranged which included visits to Norway, Sweden, and Finland. Those who didn't take the tours, were

free to wander through Europe till Sept. 30, when we all met in Paris, for our return trip to Canada.

As we boarded the flight we felt that the trip was enlightening and educational, but we were sure going to appreciate Canada a lot more.

"Ladies First"

Have you ever thought you'd like to antique or re-finish an old piece of furniture or try your hand at sewing with some of the new stretch fabrics but aren't sure of all the "do's" and "don't's"?

These are only two of the interesting and informative topics which will be covered in a six-week program offered by the St. Albert Arts and Crafts Guild in co-operation with the town recreation department.

Beginning October 26, the program will feature different topics, speakers and demonstrations each Monday evening from 8 to 10 p.m., at the Clubhouse (next to the swimming pool). Entitled "Ladies First" the program offers an interesting, inexpensive and informal evening out for local housewives.

Other subjects to be covered will be a demonstration of wigs, hairpieces, new styles and cuts; fondue cooking; candlemaking and flower arranging and the last Monday evening will be spent making novel Christmas decorations.

Fee for the course is \$2 plus a \$1 associate membership in the Guild. For additional information or to register call Mrs. Karen Grant, 599-8524 or the recreation department 599-6601.

Canada's second twin Drive-in theatre, the first in Western Canada, opened on Sept. 30 at 137 Street, off the St. Albert Trail, with space for 1,250 cars.

Part of National Canadian Cinemas Ltd., operating under the name of Canadian

Theatres, the company's president is Mr. Mike Zaharchak and its general manager is Mr. Don Davis, operating from Calgary. In charge of Edmonton district is Mr. Malcolm Jeffreys. The company includes Belmont Studio 82 Cinema and

the new Plaza Twin Cinemas which are opening at the end of this month on 118 Avenue. Mr. Jeffreys was formerly in Calgary in charge of two drive-in theatres.

"Twin theatres are more predominant now," said Mr. Jeffreys, "and with this type of theatre we can provide better facilities, e.g. concession facilities."

The new theatre's refreshment area is equipped with ultra-modern furnishings and relish and ketchup stands. It serves anything from corn on the cob and pizzas to chicken and french fries.

Twin Two will operate throughout the winter with 500 in-car heaters for customers' comfort. The theatres' grand opening will be at the end of the month in conjunction with the grand opening of the Plaza Twin Cinemas.

Two attend Air Crew Reunion in Winnipeg

Two St. Albert men were among 1,200 ex-airmen who attended in Winnipeg on the weekend of September 26 "the biggest reunion this country has ever seen."

Mr. G. Vern Tompkins of 33 Grosvenor Boulevard and Mr. Roy Hart of 20 Birch Drive, left Edmonton by Air Canada on Thursday, Sept. 24 arriving in Winnipeg at 6:30 p.m.

The reunion, for men who went through the Commonwealth Air Training scheme got off to a good start at Friday's stag luncheon when the men were addressed by two fighter aces of World War 11, R.A.F. Group Captain Douglas Bader - who lost both his legs in combat in 1931 - and General Lieutenant Adolph Galland, the German fighter pilot who when asked by Goering what he needed to defeat the Allies, replied: "A squadron of Spitfires."

On the Saturday morning at the Canadian Armed Forces base in Winnipeg, there was a Western breakfast, an airshow, and that night saw the men and 400 of their wives at a reunion banquet. Here they were addressed by R.A.F. Air Vice-Marshal Johnnie Marshall - who during the war led a Canadian squadron, having to his credit 38 enemy planes shot down.

The reunion's honored guests were made honorary citizens of the City of Winnipeg.

Approximately 1,000 former air crew men attended a parade service on the Sunday morning, where a

wreath was laid on the cenotaph.

Former wireless air gunner, Vern Tompkins said: "I'm pleased to say that Roy Hart and myself never missed a thing. We met many old friends including Bob Parks who used to live in St. Albert and if there's ever another one we're sure going to go."

Kinnettes hear

Evelyn Unger

The guest speaker at the October meeting of the St. Albert Kinette Club was Evelyn Unger, of the Evelyn Unger School for Language and Learning Development.

The objective of the school is to assist aphasic children in order that they may integrate into the regular school system.

At the cost of \$1,500, to school one child for one year, they are forever in need of financial support. The school has an enrolment of 60 students from the Edmonton area, several from out of the province, nine of these are from St. Albert.

This association is nationally recognized and all Kinettes and guests enjoyed a most informative evening.

the Gazette REFLECTS

The two FLQ kidnappings in Montreal last week have shocked Canadians everywhere. Underlying the feeling of incredulity and horror that such acts of terrorism and blackmail could happen in our country, is an uneasiness bordering on fear. As interviews conducted by CBC and CTV television reporters have shown, the fear is very real indeed in Montreal and Ottawa.

The week's news also brought a statement by J. Edgar Hoover of the United States FBI, that groups of people are stockpiling bombs and weapons for an assault on the "Establishment." Including the "Weatherman" group which is threatening airports in that country.

A massive man-hunt for the killer of two RCMP officers is going on in the Prince Albert area of Saskatchewan. In Alberta, daily newspapers have scores of headlines almost every day such as "Wembley man held in killing," "City boy suffers severe beating" and "Man gets life for murder."

There are two directions in which thoughtful and sober Canadians are thinking through their concern over the growing terrorism and violence among us. Firstly, what the root causes may be, and secondly what is the wisest course to follow in dealing with it.

Is it possible that some sociologists and members of law enforcement agencies have been right in recommending elimination of all TV shows where violence is used by glamorous stars? Were we right in removing the death penalty, or is it an effective deterrent after all?

Was Desmond Morris (in his book "The Naked Ape") correct in his view that overcrowding, such as can occur in large cities, will cause people to fight as it does animals? Have there in fact been cases of double-standard justice? Or cases where the poor could not afford the cost of an appeal where they thought a lower court judged them unfairly? How much could a few miscarriages of justice contribute to a festering rage among potential terrorists?

There are no easy answers and now there is little time to search further for those answers. Still we must also guard against the danger of moving toward a police state in the all-out struggle to bring this frightening situation under control.

Letters To The Editor

The Editor:

I wish to take this opportunity to extend my sincere thanks to the people of St. Albert who supported and voted for me in this election.

To the Gazette and its staff "my sincere appreciation for their excellent co-operation and assistance."

Dave Davis.

The Editor:

May I take this opportunity to thank the Gazette for its excellent step-by-step coverage of pre-election activities.

The St. Albert Chamber of Commerce deserves a "pat on the back" for its organization of the election rally. This community effort is one to be emulated.

A special word of thanks to Mr. G. P. Moore, returning officer. His is a job requiring much organization, time, and effort and all too often taken for granted.

My fellow-candidates have displayed a fine forum of opinion and a true sense of

sportsmanship.

It has been a good experience for all!

Thank you kindly,

Sylvia Walsh.

The Editor:

I had occasion to use the facilities of our new hospital one morning last week, as our three-year-old son fell, deeply cutting his chin.

I called our doctor at the clinic, but was told to go to the Sturgeon General Hospital for emergency treatment as our doctor was there.

After filling out all necessary forms I discovered the doctor had already left, and I also found out, to my amazement, that in a town of this size there is no resident doctor in the hospital. I could understand that this might occur in a small town hospital serving 5,000 or 6,000 people, but our population is well above that.

I am speaking as a citizen and taxpayer of St. Albert when I say that a qualified

doctor should be in the hospital at all times. I realize that there were qualified nurses there and a doctor on call, but where was this doctor when I required his services?

After many attempts at contacting a doctor failed, it was suggested that the wound be washed and I contact my own doctor in the afternoon. Instead I suggested another clinic be called where our son could receive immediate medical attention.

On arrival at this clinic, a doctor promptly closed the wound with a few stitches and gave me a headache tablet.

Please understand I do not mean to incriminate anyone. I am just stating my opinion as a mother and a citizen that there should be a doctor in our new, well equipped hospital at all times.

Mrs. Roberta De Champlain

The Editor:

I hope that many more Liberals in Alberta will join me in applauding the appointment of Ernest Manning to the Senate. What better way for Mr. Trudeau to break away from the outmoded traditions of the past than by appointing a man of another political party, who has devoted so many years to the life of a western province.

These new appointments set the stage for a revived Senate which can and should play a very worthwhile role in Canadian life. I would like to see the end of Royal

Commissions for I believe that the very name "Royal" sticks in the craw of a lot of Canadians. In addition, these Royal Commissions are often chaired by men without political experience and the results are usually politically unacceptable to the government of the day.

We need an expanded system of Senate commissions where the talents of men such as Ernest Manning can be put to work. Too often in the past commission reports have gathered dust or have been used to garner time for a hard pressed government. This won't happen with a revived Senate system of commissions because these men will see to it that a way is found whereby their efforts will result in new legislation and new policies.

There is another reason however why I applaud the appointment of a member of another party even though I have strongly disagreed with some of the policies of the former premier of Alberta. The Liberal Party bosses across Canada will be somewhat conditioned for other non-liberal appointments. I hope that when Tommy Douglas retires that he too will be given an opportunity to serve in Canada's upper house.

An active Senate should also be a balanced Senate, and by balance I don't mean the same old Liberal and Tory war horses that are simply carrying on their futile battles and acrimonies left over from their

Little Things That Add Up

Staff at the Gazette are grateful for the private and public thank-yous extended them for pre-election coverage. While the coverage is part of our job, it still leaves a warm feeling to know that the candidates appreciate it. If interest has been stirred in forthcoming elections it is a small service for democracy. If any campaign leaves behind it a residue of bitterness or ill feeling that is a great disservice to all concerned. May the best candidates win and all remain friends.

Places open in new band

Members of the St. Albert Breakfast Lions newly-organized band met for the second time last night at Leo Nickerson School. There are a number of positions yet to be filled, notably in the heavy brass section of the band, which is under the direction of highly qualified Jerry Weness. The band is looking for a drummer as well.

Actually the Breakfast Lions are sponsoring two

band groups - a junior band under 15 years and a senior band which includes both adults and students. There are a few instruments still available.

The Lions would welcome both interested people who have no previous experience and musicians who would enjoy concert band work under a fine director and enthusiastic sponsorship.

Anyone interested may telephone Henry Mostert at 599-3954 or Arnie Larkins at 599-6278.

years in the House of Commons. We need people with experience in the municipal fields; men and women who have served on school boards and city councils, and people from other walks of life and fields of endeavour.

There will continue to be Liberals appointed because we are usually found in these fields of public service but our Canadian Senate must have a broader political base than one of simple party politics. Our Prime Minister has now established a precedent that I hope will give us a Senate that we can be proud of, and one that will make a unique and worthwhile contribution to the political life of this country.

Vic Post, photographer for the Paul Kane High students pollution committee was a

guest of the St. Albert Lions Breakfast Club Tuesday morning. He showed a film he has compiled from his work on the project, together with a slide presentation. The project on which the students worked last year under two of their teachers, was largely concerned with the Sturgeon river in St. Albert area. Vic was introduced to the meeting by Lion Ernie Jamison.

Sturgeon River Development

Following a request by the MD of Sturgeon that the Sturgeon River be developed, last night's council meeting approved an invitation from the Alberta Department of Agriculture, Water Resources Division, to send a representative to a meeting to discuss the development

early in November.

They referred discussion of the development of the water and resources of the Sturgeon River Basin and its immediate vicinity to the public works committee, and resolved that the chairman of the Chamber of Commerce be asked to attend to express that body's opinions.

Lions Bulb Sale is a Record

The Lions Club Light Bulb sale achieved record success last Monday with over 8,500 light bulbs sold in a house to house canvass of the St. Albert area.

Thirty-five Lions took part in the sale under the

Anglican Service here Oct. 18th

Reverend John Barford, Anglican minister to the combined parishes of St. Matthew's and the Church of the Good Shepherd, will hold a service at the United Church in St. Albert, Sunday, Oct. 18 at 12 noon.

Reverend Len Musto and the congregation of the United Church have very kindly offered the use of their church facilities for this particular service.

chairmanship of Mr. Bill Jones.

The light bulbs are under a five year guarantee, and may be redeemed when used at Ever-Lite Electric Ltd., at 10552 - 110 St. Edmonton.

Mr. Barford came to the Church of the Good Shepherd in June of this year and he is looking forward to holding his first service in St. Albert and to worshipping with many of the members of St. Matthew's parish and new Anglican families who have moved to St. Albert during the past few months.

Nursery facilities will be provided and coffee will be served after the service.

Bavarian Night Celebrates 121 Years of Credit Union

A Bavarian night at the Kinsmen Field House on Friday will climax the celebrations of Credit Union Week. Celebrating over 21 years of Credit Unionism in Ed-

monton, there will be a luncheon and dancing to the music of Jerry Wenses and the Bavarians. Tickets are \$4 per couple, and should be ordered now

to avoid disappointment by telephoning 599-6980. The St. Albert Credit Union office was opened on a full-time basis six years ago by Mr. Leo S. Alain, and

its assets are now \$512,000. In the last year membership has grown from 762 to 926, an increase of 164 members, and assets have increased by \$110,000 in the

same period. Helping Mr. Alain in the St. Albert office are Miss Alice Brebrich and Mrs. Nora Gutenberg. "Invest in Humanity" is the slogan for the 1970 celebration of International

Credit Union Week, and presently throughout the world there are more than 52,000 credit unions with over 38 million members. Canada has over 4,500 credit unions with more than 4 million members.

A proud salute to our ALBERTA JUNIOR CITIZENS OF THE YEAR 1970.

We're proud to know them — proud to salute them — proud to share our Alberta's heritage with them. These are the courageous and enterprising young Albertans to whom The Hon. Dr. J. W. Grant MacEwan, Lieutenant Governor of Alberta, presented ALBERTA JUNIOR CITIZEN OF THE YEAR AWARDS recently. The annual awards are possible because you, the public, make nominations through your community newspaper. Let's keep up the good work of giving deserved recognition to youthful leadership and initiative in our Alberta!

Sponsored by Alberta's independent electric utility companies with the co-operation of weekly newspaper editors.

 **Biology Class, Winston Churchill High School, Lethbridge** undertook an enterprising river-pollution research project. Janet Duce and Arthur Ohno accepted the award on behalf of the class. Nominating editor: John Mulgrew, The Ad-Viser.

Valerie Opens Academy for Jazz, Tap and ballet

A dancing career that started in London when she was three years old, has now led 20 year old Valerie Lee to open Edmonton's newest academy of dance, the Valerie Lee Academy of Dance.

Valerie, who specializes in Royal Academy ballet, tap

and modern jazz, opened her studio at the weekend at 10706 - 124 Street.

After dancing with the Brian Foley Studio and Gladys Forrester studio in Toronto, Valerie was a Canadette with the Canadian National Exhibition there.

Since moving to Edmonton she has danced in civic musical theatre shows, taught dancing at the University of Alberta and the Alberta Tap Association and done choreography for the Federation of Community Leagues,

Lions hold charter night

Eighteen Lions Clubs were present at the second annual Charter Night of the St. Albert Breakfast Lions Club. This was the first birthday of a new club sponsored just one year ago by the evening division of St. Albert Lions. Under the able direction of

master of ceremonies Lion Ed Dunk, the charter night committee, consisting of Harry Hutchings, Doug Wilson and Harmon Freethy put on a tremendous birthday party.

Guest speaker District Governor Frank Wilson was

introduced by Zone Chairman Rock Holman. The latter was president of the sponsoring St. Albert Club at the time the Breakfast Club received its charter. Frank Wilson spoke on the achievements of the club in its first year and some of the plans of his cabinet for the present Lion year.

President John Huberdeau acknowledged the presence of Lion dignitaries and called the roll of visiting clubs.

Special thanks go to greeters Lions Elmer Harrison and his wife Dorothy and Lucy Huberdeau. The bar was ably manned by Doug Wilson, Harmon Freethy, with Bill Webber, Adam Hauptman, Vince Ratchinsky and Elmer Harrison spelling them off, all under the eagle eyes of wives Irene Wilson, Joan Webber, Pat Hauptman, Doreen Robinson and Shirley Dunk who kept track of the money. Lion Eric Robinson was in charge of electric.

Lion Doc Cuts, as usual, sold his share of tickets and Marcel Demers got his visitation group out to sell tickets at other Lions clubs.

Lions from Athabasca, Clyde and Camrose mingled with Lions from other clubs closer to home and many friends and guests of the St. Albert Lions. Comments from all corners were: — "A wonderful evening."

CHQT cover girls, the Ice Show and the Wellington Park show.

Valerie is a student member of the Royal Academy of Ballet, the British Association of Tap Dancers and the Canadian Dancin Teachers' Association.

Anyone wishing to register should contact Valerie at her home, phone 482-1803 or at the studio 452-2434.

Card of Thanks

We wish to express our most sincere thanks to our friends and relatives for their many acts of kindness, messages of sympathy and Mass offerings received during our recent bereavement in the loss of a dear wife and mother. Historic biplane flight

That crazy cast of characters from the Lethbridge label may take flights of fancy with Alberta's history — but nothing changes that down-to-earth, real beer flavour of Lethbridge Pilsner. It's as much a tradition as our pioneering past. Rugged. Masculine. Frankly old-fashioned and proud of it. And that's the way it

has tasted for nearly half a century. So next time call for Lethbridge Pil. Enjoy your own Great Moments with Alberta's original Pilsner.

Registration set for hockey boys

Hockey registration will be held on October 24 from 10 a.m. to 3 p.m., at Sir George Simpson Elementary school for all shavers, mites, peewees, bantams and midgets.

Application forms are available at all schools or from the St. Albert Kinsmen Minor Hockey Association. Registrations will not be accepted after November 1.

Fred Calkins, chairman of the Kinsmen Hockey Association, said parents help is urgently required to carry out a successful program, and issued an appeal for volunteers.

More youngsters than ever before, nearly 400, played hockey under the minor program last winter and sizeable increase is expected this season.

This rink won the A event, defeating Betty Anderson's foursome in the finals. To Bea's right is skip Cecile Como and her third Joyce Fraser. Below Joyce is Helen Gervais, lead with Mary Lou Rouault at left. Cecile's rink won over Fran Avison's in the B event. Curling's rink won over Marina Vettergren, Barb Arnold and Kay Free. With Fran were Dorothy Avison, Ev Paisley and Pat Southam. Sixteen rinks took part in thespiel which was played from 9 p.m. Friday till 12 noon Sunday.

Hercules teams going strong

Playoff action in Division A for the Atom Soccer League's Challenge Cup saw Lions defeat the Tigers 3-1 last Saturday. Randy Fisher, Mark Beckwith and Warren Brown scored for coach Geoff Williams. Tiger's lone goal came from Graham Maltby. Gerry Verhagen coaches the Tigers.

The game between the Hawks and Falcons was postponed until later on this week. Both games in the B Division were played with Spurs shutting out the Bombers 4-0 and Rangers and Mustangs playing to a 2-2 tie. Coach Brian Kane received fine goaltending from Tim Schrader while Wade Katzmarzyk scored twice. Singles came from Brent Bolla

and Robbie Tooth. Bombers are coached by Ernie Speake.

Joe Ainsley scored in the closing minutes of play to give Mustang coach Tom McKendry a tie with the Rangers coached by Bill Alderton. Mustangs other goal was scored by Kevin Jackson while Rangers marksmen were Dave Mosher and Steve Osten.

Second round action this Saturday in Division A sees Hawks vs Tigers at Sir George Simpson and Falcons vs Lions at Grosvenor. Game time is 1 p.m.

B Division action has Spurs vs Rangers at Sir George Simpson and at Grosvenor, Bombers play the Mustangs. Game time is 2:15 p.m.

Lancers unbeaten in Challenge Cup

Lancers are the only undefeated team in the Hercules Challenge Cup playoffs after scoring a narrow 6-5 win over the Flyers.

The Chargers lost their second game in a row by a 3-0 score to the Saints.

The Saints and Flyers were a 1-1 record.

Next Saturday's action has Chargers vs Flyers and Saints taking on the Lancers. Action is on Grosvenor and Sir George Simpson pitches.

Perrault seventh in Oilfield batting

Richie Perrault, St. Albert Willowbrook Saint's most versatile player, was the only Saint to break into the top ten batters in the Oilfield Baseball League.

Perrault finished the season with a .382 average in eight games. Dave Robinson of the Breton Eagles was this year's leading batter with a fine .432 mark in 11 games.

Last year St. Albert placed Chester Cunningham and Louis Martineau in the top ten.

League statistician Ray Turchansky shows George Tyron of the Breton Eagles with a 6 - 1 record to lead all pitchers. St. Albert's Bud Pyluk had a 2 - 0 record and Fred Resler a 2 - 1 mark.

Gary Panky of Warburg dominated the hitting records with the most home-runs (5), doubles (10), hits (20), and runs (24). Mike Karbonik of Calmar Cubs led in triples (3).

Help the boys on Saturday

One hundred and thirty boys of the Third St. Albert Scouts and Cubs group will be hard at work this Saturday morning on their annual Bottle and Rag collection. Leaders and parents of the boys will also be out in force, to help the boys with their big fund-raising project of the year.

Proceeds help with various group activities, including the boys summer camp.

St. Albert residents can give the cubs and scouts a boost by having their bottles and rags ready Saturday morning. White linen or cotton rags are preferred for their purpose and they are not able to use synthetic materials.

Search for Talent Season Opens

The twenty-fourth annual Search for Talent in an area within a 200 mile radius of Edmonton starts its season with the first show scheduled for Mayerthorpe on Saturday, October 24, sponsored by the Mayerthorpe Lions Club. One week later Search for Talent will be presented at Provost, under sponsorship of the Knights of Columbus and on November 7 the Chamber of Commerce brings the show to Viking.

On November 14, the Evansburg Kinsmen present the show at Evansburg and one week later Boyle students bring it to their town. November 28 is Grey Cup Day, and the crew will take a rest, but one week later it goes on to Ponoka as guests

of the Lions Club, followed by Wainwright on December 12, sponsored by the Kinsmen.

Chairman and director of Search for Talent is Mr. Sid Birkenhagen.

As I See It

By Rose Martel

The appointment of Honorable Ernest C. Manning to the Canadian Senate by Prime Minister Pierre Elliot Trudeau, is, according to my personal point of view, the first tangible evidence of that "new just society," that Mr. Trudeau talked about so much during the last federal campaign.

The Ivory tower in Ottawa, the Canadian Senate, where political plums have been dished out exclusively for Liberals and Conservatives, will now welcome new members with a different political philosophy from both east and west.

Hon. Ernest Manning of Alberta, and Madame Therese Casgrain from Quebec, both with some 25 years of political experience, will break the traditional type of senate appointments.

I am sure that in congratulating both these new comers to the Canadian Senate, a new era of active participation in Canadian governmental decisions will be initiated in the Canadian Senate. The fact that each one has been very active in introducing new political ideas at various levels of government, and that both

are not ready to retire, may with the help the senate leader Paul Martin, establish a nucleus for senate reform.

As I see it - Prime Minister Pierre Trudeau uses political finesse in the appointment of Mr. Manning to the Senate because: firstly... he has removed any possibility of a groundswell from the west, supporting the election of Mr. Manning as leader of a new political party, before the next federal election slated for 1972.

Secondly...he has implemented a new policy in government appointments, one he had advocated during his leadership campaign "The best brains for each new job, regardless of party lines."

With the appointment of these two leading Canadians he has put this idea to work. He crossed party lines to obtain highly qualified and active individuals, who will bring news ideas and a wealth of experience to the senate. I am sure both Mr. Manning and Mrs. Casgrain will earn the respect of their colleagues and that both will make a sound contribution that will benefit the entire nation.

Villeneuve Sewing Club

The reorganization of the Villeneuve 4-H Sewing Club was held on Oct. 7 at Pat Sheehan's home. The new members, Roberta Belanger, Michele Gagnier, Dianne Bokenfohr, Rolande Berube and Kim Klatt were immediately welcomed by leader, Mrs. Andre Borle.

Second year members are Julie Lesburg, Arlene Tarves, and Patricia Sheehan.

Third year members are Debbie Kremer, Carol Bokenfohr and Colleen Sheehan.

June Borle, Connie Savole and Jocelyne Durocher (secretary) are fourth year members.

Fifth year members are Valerie Durocher (president); Pauline Belanger (vice president); Louise Belanger (treasurer) and Dianne Sheehan (club representative).

There were eight mothers present including Mrs. Aurele Durocher, assistant leader.

Namoo shower

A miscellaneous shower was held in the Namoo Community Hall on Tuesday evening, October 6 in honor of Miss Elaine Dube of Namoo, whose marriage to Mr. Donald Smith of Nanaimo, B.C., took place on Saturday, October 10.

Mrs. Ron Nelsen presented the gifts on behalf of everyone present. Elaine and Don will be residing in Nanaimo.

Florida Fortier dies at 79

Funeral services for Mrs. Florida Fortier were held in St. John the Baptist Church in Morinville on Saturday, Oct. 10.

Mrs. Fortier, who was 79, passed away after a long illness of 27 months. Her nephew, Rev. Father Alphonse Roy, OMI, of Mairdville, B.C. officiated at the service. Interment followed in the local church cemetery, beside her late husband, Narcisse Fortier, who predeceased her in 1959.

Pallbearers were six nephews: Paul and Leo Brochu, Raymond Courchene, Maurice and Roland Tailleux and Lionel Roy.

Born in Morinville the eldest daughter of the late Mr. and Mrs. Josephat Tailleux, Mrs. Fortier lived in the district all her life. She

married Narcisse Fortier in 1909, and continued to farm in the district until illness forced her to retire to St. Joseph's hospital, and later to Youville Home, where she spent two years before her death.

She is survived by one son, Mr. Ulise Fortier of Morinville; two brothers, Ferdinand of Edmonton and Revocat of Morinville; also five sisters, Mrs. Celina Roy of Edmonton, Mrs. R. Pelletier of Lac La Biche; Mrs. Ed Courchene of Fort Saskatchewan, Mrs. Paul Camrye, and Mrs. Rose Roy of Fort Kent.

To Mr. Ulise Fortier, and other relatives of Mrs. Fortier, a sincere expression of sympathy on behalf of the community of Sturgeon and Morinville.

Morinville Couple Exchanged Vows

MORINVILLE: St. John the Baptist Roman Catholic Church was the scene of a pretty afternoon wedding recently when Miss Lorraine Boissonnault, daughter of Mrs. Blanche Boissonnault and the late Mr. Camille Boissonnault and Mr. Claude McDonald, son of Mr. and Mrs. Robert Leslie McDonald, all of Morinville, were united in a double ring ceremony performed by Rev. Father John Feilly.

Given in marriage by her godfather and uncle, Mr. Adolphe Boissonnault, the radiant bride chose a formal white brocade satin gown with an empire waist, A-line skirt, necklace neckline and long sleeves. A detachable train fell from her shoulder line. Her short bouffant net veil was held in place with a cluster of white bows and she carried a cascade of red roses.

Her two bridesmaids Miss Jocelyn Perras of Edmonton and her sister Miss Collette Boissonnault wore identical gowns of mauve pique d'elegance with empire waists, sleeveless, and with white lace trim. Long white

gloves and white slippers complimented their gowns. Each carried mauve and white mums in colonial bouquets.

Petite Renee Boissonnault, cousin of the bride was flower girl, dressed in a miniature gown matching the bridesmaids. Rhea Boissonnault, young brother of the bride was ringbearer. Attending the groom were best man Mr. Leonard Perras and Mr. Kim McDonald, his brother.

Rev. Sister Tarlene Boissonnault was organist and Mr. Paul Boissonnault soloist.

Following the church ceremony a reception and wedding supper for some 85

guests were held at the Morinville Recreation Centre. Mr. Adolphe Boissonnault was master of ceremony. The toast to the bride was proposed by Mr. Leonard Perras.

For her daughter's wedding the bride's mother chose a pink ensemble with black patent accessories. Mrs. McDonald also was in pink with tan accessories. Both had pink roses encoeurage.

A wedding dance concluded the evening social.

For her wedding trip to Jasper the bride changed into a mauve ensemble with black accessories. Mr. and Mrs. McDonald will reside in Morinville.

Louise Pelletier guest at shower

Miss Louise Pelletier of Vimy was guest of honor at a bridal shower held recently when 60 ladies gathered in the Morinville Legion Hall. Hostesses for the evening were Miss Stella Boissonnault, Miss Agnes Pelletier and Miss Rejeanne Benoit.

Seated at the head table were Miss Pelletier and her mother, Mrs. Yolande Pelletier of Vimy, her three bridesmaids, Miss Agnes Pelletier, Miss Rejeanne Benoit and Miss Stella Boissonnault and Mrs. Hermidas Boissonnault.

Trout closure at Cold Lake

The closure on fishing in Cold Lake scheduled to commence on September 15 was rescinded on that date by Hon. Dr. J. Donovan Ross, Alberta Minister of Lands and Forests.

The purpose of the legislation was to protect the lake trout during their spawning

season.

With a successful fishery for Coho salmon now in progress it was not considered necessary to completely close the lake to fishing. The closure is now effective only on lake trout, during the period of Sept. 15 to Nov. 15. During that period anyone taking a lake trout must immediately release it back into the lake. It is illegal to be found in possession

of a lake trout from Cold Lake.

There is little reason why anyone fishing for Coho salmon should catch a lake trout since the lake trout are spawning in deeper water and the Coho are mostly being taken close to the surface. It is hoped that increasing protection of the spawning lake trout will assist the recovery of this species to its former high levels.

Guide and Brownie

MORINVILLE:

To date some 21 guides are registered. Guide leaders are Mrs. Del Curtis, captain; assisted by Mrs. Linda Pike, Mrs. Joan James and Mrs. Rita Barilla. They meet every Monday at 7 p.m. in Notre Dame school.

Some 42 brownies have been enrolled and divided into two packs: Mrs. Margerie Rockwell is the brown owl for Pack 1. They meet every Monday evening at 7 p.m. in the basement of Notre Dame School. Brown Owl Rockwell is assisted by Tawny Owl Mrs. Marilyn Rogers.

Brownie Pack No. 2 is supervised by Brown Owl Mrs. Zel McDonald with Tawny Owl Shirley Aulick and Donna Barr. The pack meets at 7 p.m. on Tuesdays.

Last Saturday the Morinville Guides with their leaders went on a nature hike and visited their new camp grounds. Those tested for nature study were: Guides Joanne Legge, Lorna Brunnell, Rosemary Barilla, Rachel Sale, Windy James and Katherine Sutherland.

Mrs. Jo Anderson is the president of the Mother's Local and may be reached by phone by calling 256-3280.

Specific factors involved in Planning

This is the last in a series of three articles by Councillor Robert Russell on town policies and planning. Opinions expressed are those of Mr. Russell and do not necessarily express the policies and opinions of town council.

Mr. Robert A. Russell who has lived in St. Albert for 1 1/2 years has served on the District #6 school board for two years and on St. Albert town council for two years. He is manager of Vickers & Benson (Western Ltd., an advertising agency).

Space will be made available to other councillors should they wish to use it for an assessment on town affairs.

Condominiums

The condominium, or modified versions of what is now called condominiums, is here to stay, and anyone who can't accept this has surely got his head deep in the sand. However, once we admit that multiple forms of housing are part of urban living, then the next problem is to overcome the "don't build it in my area" prejudice that exists.

To regulate condominiums to one area of town is to create gettos. Our topography is really delightful, and with some imaginative design, we can include multiple family structures within each neighborhood and achieve an integrated development of our town to the benefit of all the residents.

ROBERT RUSSELL

the pre-zoning of greenbelts is unfair to present landowners within the designated belt area.

Green Areas

While it almost seems to be speaking against motherhood, I have always been opposed to so called "green belts." I would sooner use the money it takes to create these artificial barriers, to purchase land that can be entertained and distributed throughout our neighborhoods to the benefit of as many residents as possible. Green belts only benefit those living at the edge of the belts, and in addition,

As far as our existing parkland, more thought and planning should go into its development. The land in Grandin Park and Sturgeon Heights, fallow and unused, is an eyesore for many months of the year. Trees should be planted on these lands and possibilities explored to discover ways in which residents can obtain more use and enjoyment from this land.

Water , Sewer, and Garbage

We are finally taking the necessary steps to remove the town dump which has existed at the mouth of Big Lake for many years, adding to the pollution of our air and water.

The location of the dump in a proper land fill site, north of the town is a step in the right direction, and we hope that by this time next year we will not have to smell the odors of burning garbage in St. Albert.

I haven't as yet been successful in eliminating the same problem from the Safe-way store, but that's high on my personal list of priorities.

With the coming of the university development we will now have the opportunity to hook up some of our sewer lines to the city of Edmonton, and also run a water line in to supplement our present capabilities. This, in my opinion, is all the more reason why we should

enlarge our boundaries to the university property.

Big Lake

Many years ago, people used to sail on Big Lake. They brought their families out to the lake to swim and to picnic on the shore. Today Big Lake is a disgraceful cesspool, choked with weeds and contaminated with polluted water.

However, it still remains as an untapped recreation potential which could be developed for the use of the citizens who will someday fill the surrounding area. We must continue to press the provincial government into some action on this resource, so that we can pass something of value on to our children. I believe that we

should enlarge our town boundaries now to take in a portion of the north-east corner of Big Lake for future use as town owned recreation area with adequate access to Big Lake. Action at this time could save us thousands of dollars in the future.

Midi-male

It will be interesting to see if the red-blooded Canadian male remains vocally opposed to the midi for the fair sex when he buttons himself into a longer-length topcoat this fall. For topcoats for men have dropped below the knee, too, with lengths varying from knee-length to mid-calf.

Skiing - a sport for the handicapped

Handicapped people have a new sport to look forward to, for Jerry Johnston, director of Sunshine Ski School, in Sunshine Village,

Banff, says a good percentage of handicapped people can learn to ski, and very often it is more easy for them than walking. A han-

dicapped person often has trouble making a forward motion, but skiing only requires slowing down and controlling the pull of gravity.

LAURA FINKBEINER

dent at St. Albert High School. Laura, who comes from Veteran, Alberta, has lived in St. Albert for three years at 31 Gillian Crescent. Studying business at the high school, she hopes to take a two year sociology course at Mount Royal College, Calgary, with a view to becoming a social worker.

Despite the fact that she enjoys writing her 'Gazette'

column, Laura says she had not really thought about making journalism her career. Failing social work, Laura would prefer to go into computer science.

Her other interests include reading and working with the Red Cross volunteers as a candy stripper. She holds a Red Cross certificate for this type of hospital work.

Strikes

Time lost due to strikes in Canada appears to be reaching a new high. This comes, curiously enough, when unemployment is high and when fourth-quarter job prospects are not good. To date of August, 341 work stoppages had cost Canada 5.2 million man-days (about 50 per cent of the total time worked). This year's eight month total is running 5.5 per cent over the comparable 1969 figure. The loss for the year in 1969 - 8.1 million man-days was the highest on record in Canada.

Abortion Problem

The Canadian abortion law "reformed" with such furor last year, now permits abortion only if a woman's life or health is endangered by pregnancy and provided a hospital committee approves her case. The requirements may seem perfectly reasonable, but it appears that precious few women have the good fortune to qualify for the operation.

After a detailed study into the results of this "reform" law, Chataleine's October issue reveals some staggering facts that were discovered. The article tells the stories of two desperate women, typical of many who were forced to seek help elsewhere, illegally in Canada, and the other legally out of the country, both at great expense, of course.

To quote some statistics: In the first three months of this year, six provinces reported 235 therapeutic abortions performed. In England, there were 6,162 abortions in March alone. New York City reported a total of 1,190 abortions performed in the first three months following the state's liberalized law. And, according to the latest figures on record (1966), 45,482 Canadian women have been admitted to hospital after bad episodes associated with illegal abortion.

At Father Jan School's Pioneer Day last Wednesday, Kathy Matear of 34 Grandville Ave., and Chris Skrobot of 10 Gresham Blvd., both aged 10 and in grade 5, consented to pose for our camera, holding an old horse collar. Kathy seems unconcerned, but Chris looks rather dubious about the whole affair.

Good News

Compulsory fibre content labelling will soon be in effect. The Textile Labelling Act has been passed by the Senate. First and second reading of the Bill was given in the House of Commons,

and the third reading was to be given after Easter. Now, for the first time, we consumers will know what textile fabric we are buying. Labels must carry a list of the generic names of each

textile fibre (e.g. Polyester, Acrylic, Nylon, etc.) that makes up at least five per cent of the total fibre content by weight. Fibre content will be indicated by per cent, and the manufacturers name must be on the label. This legislation also provides for enforcement. In addition, nothing must be used on the label (in words, symbols or figures) that would deceive anyone about the fibre content.

Aren't we long overdue for such legislation? When only natural fibres were available, fibre identification and care was obvious but with the man-made fibres and finishes, it's really hard to tell exactly what is in a piece of fabric. And if the fibre content is unknown, proper care procedures are impossible.

The movement for textile labelling was started by the vocal "complaining consumer" and carried on by the Department of Consumer and Corporate Affairs.

The Department of Consumer and Corporate Affairs has also designed voluntary standards of garment care and a symbol system for care recommendations. The symbol system can be used by manufacturers who adhere to standards set up for these symbols.

Anti-hijack system pinpoints hidden weapons

Anti-hijack equipment installed by British Overseas Airways Corporation (BOAC) at London's Heathrow Airport is thought to

be the first commercially available system capable of distinguishing between in-offensive masses of metal—such as loose change or keys -- and potential weapons.

The equipment, which measures the density of metal objects being carried on passengers, is designed to detect both ferrous and non-ferrous metals, so non-magnetic knives or guns can also be detected. It is unaffected by magnetic fields, passing vehicles and so on.

A father of nine children answered the doorbell to find a man standing there with a small black bag in his hand. "Heavens!" he said. "I hope you are the piano tuner!"
